Sir,

Subject.- Abolition of rickshaws -
Amendment to Appendix No.50 of
the Bye-laws.

In July 1947 with the sanction of the Hon'ble the Resident, the Municipal Commission amended the Hackney Carriage Rules (Appendix No.50 of the Bye-laws) by inserting Rule 4-A as extracted in the margin for ready reference. A copy of the Residency letter is also enclosed. The main reason for this was that the Commission was not in favour of continuing rickshaws as a mode of conveyance, since in a place of ups and downs like Bangalore the health of the rickshaw-pullers is getting undermined. Further at the time of the proposal, the Commissioner of Police, had in view the introduction of other mechanical means of transport in the Station As it has since been found that the introduction of such transport in the immediate future is not possible, the Municipal Commission at its Special Meeting held on the 27th November 1947 decided to amend the section under reference with a view to allowing the continuance of rickshaws till the 31st March 1949 (vide copy of the resolution enclosed)

4-A. The Registering Officer shall not register any rickshaws after the 31st March 1948.

2 The amendment was published in the press for eliciting suggestions and objections (vide copy enclosed). Only one objection from Sri Bhuvanesuari Sangham (copy enclosed) was receive and the Standing Committee after discussion recommended that the Municipal Commission's resolution might stand The subject was again placed before the Commission at its Special Meeting held on the 29th January 1948 and the original resolution dated the 27th November 1947 was re-affirmed
